その強さは辺境最強!

So, in the great mythology also

 world...

Who would save the humans who
 are so cowardly to even find the
 darkness?

That hero is Hama!, someone who is
 about as evil as the incarnation

Of course, this hero who has his companion

 explains the usage and gives background
 information about the situation.

A guy with a pistol on his back... why would a
 guy be carrying a pistol? In Hama!, except
 and

Like the first chapter, their two parts
 have not been translated by Dio, so
 instead you get to hear another great story

The story begins with

Oh, not of course, the hero
 just flies. Will flies across the
 evil planet of Hama! and make it
 to the north capital festival in where
 they are holding? It's that not

Fine Mountains

Clay Pot

He? Oh

Answer

WAAAA!
What
are you
DOING?

Fwahahaha!
Really,
Hame!! It
isn't cold!

Honestly,
You...

Obaa,
are
you
ok?

Ah, see, since
it's such a cold
day, I thought
I'd put the
bird in the
pot.

I'm NOT
having
anymore
big
earth-
worm
soup!

Look
what's
for
dinner
again

In the attacks before, the Hero of Love did not have Winter's Cold!

Fwaha hahaha! That suits me fine!

Your Ko-totetsu style?

How many trees must I defeat?

Real, what the hell... is that?

Do-Raid... so...

Huh-huh-huh

DAHI
That name
was ALL
yours!

Before you
were Pans
Mask, and now
you're Ka-
kotou Mon Z...
it's terrible.

All that we
did then was
so sweet,
Ravel, and
good...

Heh...
but wasn't it
sweet...
Ravel?

At least a
Kakotou
has
something
to do with
winter!

What
the
fuck,
Hamel?
?

If it's
winter,
then my
pot is full!

Hal! You
understand-
ing pater
before the
freak-fused
youth of my
POT!

When you
return from
the cold
outside, it's
quite normal
to use a Kakotou,
get that,
daphn?

What a
boring
argument

What-
ever they do,
you have
to have
a little
toler-
ance

Snap
off,
Ho-
chan

Ah, but
that
smack!

But
with
them...

News

Oh well, I
can't be
bothered
with
those
two

Now he has no
such plan, his
willpower is
diverted into
quarrels and
rivalry

At first, when
Erol-san came,
he kept going on
about killing
Hemel!

Is there a
connection?

And
because of
that we're
going to
the North
Capital.

In the past,
he got in
Hemel's way
because his
father and
mother died

There's
still the
successor
thing and
the hat
thing...

As long as we are under their control

The Marobou and the North Capital... spring seems so far away.

Now that you've come before these troops, do you have anything to say for yourself?

Indeed, I have heard of your possessed soul. You decided to ignore your orders.

I'll show you death!

Then as of now, the Army Corp of Hell and all it's army is out to take your head!

Do you have any final words before you die?

Who?

Then...

In the Snowfall.

Brought to you by
Seraph *Go*

What really
happened to
you ?

Hand...

It's beautiful
fate.

Your pain
defeats
your
enemies...

Understand
you at all...

Hard
I don't...

Your
wonderful
time
struck my
heart...

That
time
and that
time...

You really
seem like a
monster...

But
how you...

Yeah.

I'm worried.

She-hers.
If her understanding has returned abruptly.

And Homel changed.

The Marola took Homel very seriously.

Yes...
if that's true
then I'll
have to...

Returned
abruptly?

Really kill
Hazel and
and for all.

I want
love!

Who
haha!
I'm
happy!

Umms...
Haskell!

You're
worrying
us!

I won't
ask for
much,
but...

See?

And if I'm a
little
important, it's
because of
that...

I am your partner, Rasiel,
the Hero of Love!

Thus,
Hamell!

So, it did
return
suddenly

Who?

Homal is the
Great
Demon King
Chakra's

Son and
heir.

Until now
his human
blood has
always
been
stronger.

To be
accurate, he
lives halfway
between
demon and
human.

We
never
told you
before,
Flute.

What?
Really?

What?

And if the
demon king
wishes
completely,
this world
will
be
destroyed.

The demons
powers have
awaken, and
at
they begin to
awaken his face
grows dark.

Ravel fears
that...
and again,
he has to
stop Harell!

I don't think he was ever the god before he wrote.

He hasn't even been scratched.

I'm assaulted.

My cartoon bit attack I'll see THAT...

Well there's one thing I haven't used.

No! This divine melody of the frozen.

W-what?

This music?

Ho-chor...

Uh...

It can't be!

Gluck's
'Dance of

We shall
fight
together!

I'm now sure I understand how

The son of Chestro the great demon king...

You can manipulate her demon blood, don't forget that, even when he leasts himself in killing and you want to run

But you can't use that face of voice to a nobleman!

Hmph I can do that because I'm a hero

That was an interesting skill.

Wh-WHAT?

Right, it's in your spirit! I hereby make you my servant!

I ain't the queen's servant and I've no fuckin' intention of being yours!

Quit jokin'! Ya little shit! Didn't ya hear what I said?

That's rude

As it is, we don't know who he is or what he is doing here!

Hohoho! Now, see Hans!

Goodbye for your question

You aren't getting more than a cheaply treat!

What's a robbery?

That's not!

North Capital ?

If you're going to the North Capital, tell me

Once you cross over the Pine Mountain...

It's impossible to ever return from the North...

You'd better just stop here.

Wait... you people are going North?

Fearsome monsters live over there.

That monster began to live there.

Long ago, those people bound the North and the South together. A trade route flourished... but then...

Hundreds have died by now.

Those people that crossed over... their whole bodies were found, with large holes in them... all their blood drained out. They were dead.

Anyway, it's
a bad idea
for you to
keep going
North

Monster's
was captured
say it's a
different
kind of
monster

Stories
of men
with

I don't care!
I have to get

The

don't, for
they'd

the four
kings of
Hell in a

In strength... as well as...

Then he will be better than the Kings of Hell...

Horse! should die now!

Boss! Let me kill him!

We're here in Hamelin, separated from her...

Give it a rest. He's a long way from here.

Go to it!

If the ordinary soldiers get in this guy's way, what then?

Surely, he's on the side of the Five Mountain range...

He, no. Drums... same.

What, Gurtar? What's so fuckin' funny?

The who?

If he is, we should use the super beast, the guardian of the North, Mouthpiece.

We all know his power...

It should make things interesting.

When they get there, they'll have to pass through his territory.

He's based around the Five Mountains.

What? Use Mouth-piece?

Keh... Who's she flying around that tree?

Why aren't Sior here?
